

# Photonics Photography Contest

**International School of Photonics, ISP**

**Cochin University of Science and Technology, CUSAT**

International School of Photonics is organizing a Photonics Photography Contest in connection with the International Conference on Recent Trends in Photonics, NPS - 2022. We invite original digital photos related to Optics/Photonics/Electromagnetics or related fields, taken by the contestant.

Maximum 5 images can be submitted by a contestant. Submitted images will be evaluated by a jury appointed by the ISP. A cash prize of 1000 rupees and an appreciation certificate will be provided to the winner of the contest. Winners of the second and third price will be given appreciation certificates. Evaluation of the images will be done by a jury appointed by the ISP. The method of evaluation will be decided by the jury. Decision of the jury will be final. No appeal will be accepted on the evaluation/results.

## **Guidelines for the participants**

1. The contest is limited to the current batch students and research scholars of CUSAT.
2. Images should be related to Optics/Photonics/Electromagnetics or related fields.
3. Only original digital photos taken by the contestant will be accepted.
4. One student may submit maximum five photos.
5. Unique title and description should be provided for each image.
6. The photo must be in its original state and cannot be altered in any way, including but not limited to removing, adding, reversing, or distorting subjects within the frame.
7. The Photographs can be taken with any DSLR camera, digital camera or phone camera.
8. Accepted file formats: high resolution jpg/jpeg not exceeding 10 MB per image.
9. Photos and the declaration form should be sent to [nps@cusat.ac.in](mailto:nps@cusat.ac.in) on or before 26 February 2022, **from your official CUSAT email address**.
10. Participants should sign the declaration form given in the website and submit along with the photos.

If you have any query, please write to [nps@cusat.ac.in](mailto:nps@cusat.ac.in)
